Can you take food or toys away from your dog		
Does your dog come when called		
Other:		

Is there anything else you would like to tell us about your dog or his behavior? (use reverse of form)

Policies

Policies for pick up and drop off:

For pick-up and drop-off, please phone 459-1377 when you arrive, and Donna or her representative will meet you outside to receive your pet or return your pet to you. The reason for this policy is that it is much less disruptive to the animals that are not leaving or arriving at that time.

No drop-offs or pick-up on Sunday. No drop-offs or pick-ups on holidays.

Requirements and information for visits:

1. Bring current vaccination record, including kennel cough, rabies, DHLPP.
2. Include instructions for medication and feeding, and label food and medications with your dog's name
3. Dogs **must** arrive with a standard flat (webbed nylon or leather) daily collar and leash. Link types of collars and "gentle leader" collars are for training/walking purposes only.
4. Dogs must have on-going treatment using Advantage or Frontline for fleas and ticks. Do not bring dog bedding.
5. Dogs must be spayed or neutered.
6. If your dog excessively barks, we may find it necessary to put a bark collar on your pet.
7. Some dogs, like children at day care centers are very sensitive. If your dog is very sensitive to new environments, you may find he/she has an upset stomach for a day or two.
